

B2 Programme

The B2 programme is aimed at developing advanced communicative competence in Spanish. At this level, students learn to understand complex written and spoken texts, express opinions clearly and in detail, and use the language flexibly and effectively in academic, professional, and social contexts.

Grammar Topics

- Verb constructions with infinitive forms (deber de, ponerse a, echar/romper a, venir a, acabar/terminar por, llegar a)
- Verb constructions with gerunds (venir/llevar, acabar/terminar)
- Verb constructions with participles (llevar/tener, dejar)
- Conditional sentences (Types I and II)
- Past Perfect Subjunctive
- Third Conditional Sentences
- De + infinitive and compound infinitive constructions
- Concessive clauses
- Causal clauses
- Structure: *no porque + subjunctive + sino porque + indicative*

Communication Topics

- Environmental issues and ecological disasters
- Social media and journalism vocabulary; traditional and digital media; misinformation and fake news
- Personal relationships, character, and personality
- Science and technology
